## ABOUT

I am a Front-End Developer with a long entrepreneur story. As a freelancer, I have created landing pages and institutional websites for real clients, and even started a business. Today, I am looking for an opportunity to join a team, increasing my learning and having the chance to face new challenges.

## EXPERIÊNCIA

### Associated Entrepreneur - Polishop

May - 2017 | April - 2019

When I was 16 years old, I started in business on Network Marketing with Polishop. It taught me a lot about sells, business and leadership. When I was just 17, I had R\$ 10,000 / month in sales on my network!

### Co-Founder- TR League

March - 2018 | July - 2022

I've founded and worked on an startup for 4 years, trleague.com.br, where I was responsible for the business managing, but I got falling in love by technology, and decided after this 4 years, to quit the project and become a developer.

### Freelancer Front-End Developer

July - 2022 | Now

In the last months I've been working as a Freelancer Developer, creating websites and landing pages for all kind of clients. It has been a large source of learning and experience on the market.
